Saturday 17th August we will be holding a fundraising event in honour of our fallen, **Luke Tamatea**. The vehicle in which he was travelling in was hit by an IED explosive device while on deployment in Afghanistan August 19 2012, killing him and two of his fellow soldiers.

Who is NO DUFF?

'No DUFF' is a registered charity committed to providing immediate support for veterans in need.

Plan for the day:

To honour our fallen soldiers we are going to gear up for a walk/run 'Military style'.

What does that look like?

A typical day patrol pack for our soldiers weighs approximately 25kg. The challenge is to carry the same weight that our soldiers carried while on tour in Afghanistan.

The scenic walk will take place in Kawerau – Luke's final resting place.
