Fees and booking structure

Firmin Lodge priority statement

Council acknowledges that many different groups will wish to hire this facility, which at times will be for short period casual bookings.

The main priority of the Lodge is as an accommodation facility for small to large group bookings.

As groups looking for accommodation will in general wish to access the facility for weekend stays (peak), we are unable to guarantee any casual bookings between Friday-Sunday.

A casual booking may be permitted during peak times but not fully confirmed until 5 days out of the hire date. If an accommodation enquiry is received at a time you have a casual booking in place, Council will give precedence to the accommodation booking.

In these circumstances another venue will be offered or an alternative date agreed.
